

Sollysta HDMI Euro-Module

Euromodules are designed in a format which allows inserts to be interchanged within a wiring accessory Europlate, allowing the bespoke make up of functional units. Euromodules are designed to fit into any Europlate.

The HDMI module outlet comes complete with HDMI Type A high speed outlet (female) fitted into a 25mm x 50mm Euromodule plate with a 125mm flat fly lead with a right angled HDMI type A (female) outlet.
