## EU DECLARATION OF CONFORMITY

NO. 0024.05-2025

### Applied Risk Assessment(s)

Documents listed below have been developed to assure that all essential requirements of applied directive(s) are fulfilled:

If the product is not in the scope of Radio Equipment directive, fulfil table 1a, if yes fulfil table 1b.

| Table 1a Risk Assessment for <b>Equipment without Radio</b>                                                                                                                                                                                                                                |     | Applicable: | <input checked="" type="checkbox"/> Yes | <input type="checkbox"/> No |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-------------|-----------------------------------------|-----------------------------|
| Only harmonized standard(s) published on the OJEU (Official journal of European union: <a href="https://ec.europa.eu/growth/single-market/european-standards/harmonised-standards_en">https://ec.europa.eu/growth/single-market/european-standards/harmonised-standards_en</a> ) are used: | Yes |             |                                         |                             |
| Scope and classification fully covers the product (case 1 of Hager Group risk analysis) :                                                                                                                                                                                                  | Yes |             |                                         |                             |
| Comments :                                                                                                                                                                                                                                                                                 | -   |             |                                         |                             |
| Hager Group risk analysis:<br>(Only if there is at least one "No", then you have to explain how you cover the essential requirements of the European Directive and fill the document <a href="#">DMS034433</a> - Hager Group risk analysis)                                                | -   |             |                                         |                             |

| Table 1b Risk Assessment for <b>Radio equipment</b>                     |   | Applicable: | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
|-------------------------------------------------------------------------|---|-------------|------------------------------|----------------------------------------|
| Hager Group risk assessment:<br>Fill document <a href="#">DMS063155</a> | - |             |                              |                                        |

### Evidence(s)

Documents listed below have been used in order to establish the conformity to the essential requirements of the relevant directives:

|                                  |                                                                            |
|----------------------------------|----------------------------------------------------------------------------|
| Certificate(s) / test report(s): | Qualification of synthesis : MD240224188<br>Technical file : TFBA_25001A_a |
| Mark approval(s):                |                                                                            |
| Product documentation :          |                                                                            |
| Comments:                        |                                                                            |
