

## Sicherheitshinweise

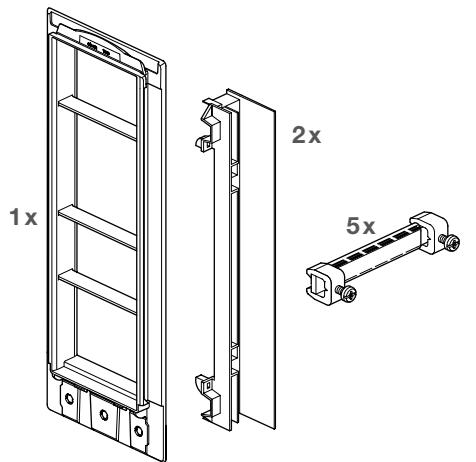

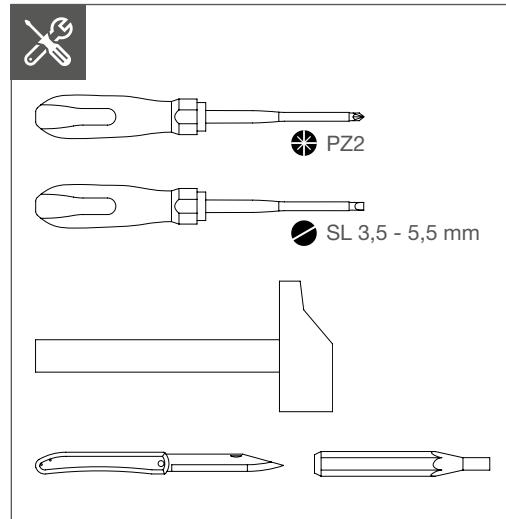

Die Produkte sind für die in den Normen DIN VDE 0603-2-1 und VDE-AR-N 4100 beschriebenen und durch Prüfung bestätigten Anwendungen und Umgebungsbedingungen geeignet.

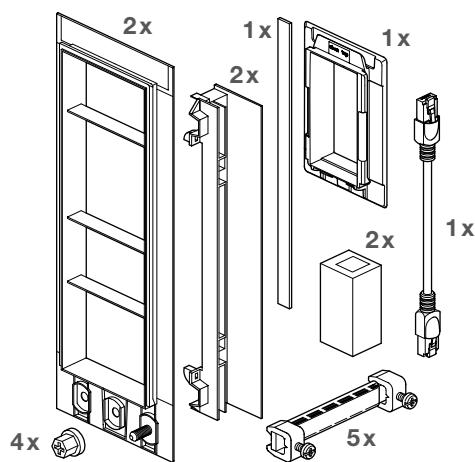

Die angegebene Montagereihenfolge ist zu beachten.

Einbau und Montage dürfen nur durch eine Elektrofachkraft oder durch eine elektrisch unterwiesene Person erfolgen.

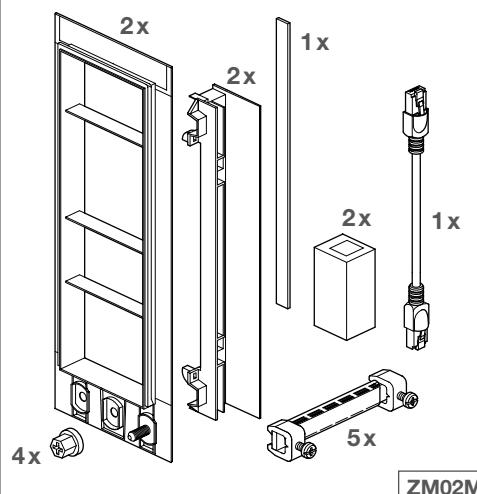

Sofern Arbeiten unter Spannung im Sinne von DGUV Vorschrift 3 §8 Nr. 2 nicht zu vermeiden sind, dürfen diese nur durch eine Elektrofachkraft ausgeführt werden, welche im Sinne dieser Vorschrift die fachliche Eignung für derartige Arbeiten nachgewiesen hat.
