

28352045

Extension units insert f. universal rot. dimmer, soft-lock, R.classic, black gl.

**Technical Features**

**Voltage**

Operating voltage 230 - 230 V

**Frequency**

Frequency 50 - 60 Hz

**Materials**

Colour Black

RAL code 9005

Material Metal Plastic

**Dimensions**

Diameter axis 4 mm

Height 71 mm

Width 71 mm

Depth 59 mm

**Architecture**

Control/operation element Push & rotative switch

**Texts**

Voltage Voltage test possible without dismantling

Installation mode For screw fastening

Type of connection With plug-in terminals

**Equipment**

Substation input No
