

28352045

Extension units insert f. universal rot. dimmer, soft-lock, R.classic, black gl.

Technical Features

Voltage

Operating voltage 230 - 230 V

Frequency

Frequency 50 - 60 Hz

Materials

Colour Black

RAL code 9005

Material Metal
Plastic

Dimensions

Diameter axis 4 mm

Height 71 mm

Width 71 mm

Depth 59 mm

Architecture

Control/operation element Push & rotative switch

Texts

Voltage Voltage test possible without dismantling

Installation mode For screw fastening

Type of connection With plug-in terminals

Equipment

Substation input No
