

HXT045HK

Motor Operator P250 200-220VAC/DC with Auto-Reset +key

Technical Features

Voltage

| | |
|---------------------|-------------|
| Type voltage supply | AC/DC |
| Command voltage AC | 200 - 220 V |
| Command voltage DC | 200 - 220 V |

Frequency

| | |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

Functions

| | |
|--------------------------|-----|
| With auto reset function | Yes |
|--------------------------|-----|

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
