

JAB402B

Enclosed Switch Disconnecter TPSN 125A

Technical Features

Installation, mounting

Mounting on	Surface mounting
-------------	------------------

Electric current

Rated current	125 A
---------------	-------

Dimensions

Depth	83 mm
Height	300 mm
Width	200 mm

Cover, door

Interlockable	No
---------------	----

Safety

Ingress Protection (IP) class	IP2XC
-------------------------------	-------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
