

HZ023

Auxiliary contact 2x 1C+O h125/630

Technical Features

Electric current

Rated current	16 A
---------------	------

Connection

Connector/plug type	Fast-on terminal
---------------------	------------------

Installation, mounting

Mounting-/Connection Position	Front
-------------------------------	-------

Connectivity

Mounting type	Screw mounting
---------------	----------------

Connection

Type of contacts	1x changeover
------------------	---------------

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
