

BA7A25040

**Slotted panel trunking made of PVC BA7A 25x40mm grey**

**Technical Features**

**Dimensions**

|            |         |
|------------|---------|
| Height     | 25 mm   |
| Width      | 40 mm   |
| Length     | 2000 mm |
| Slit width | 6 mm    |
| Slot width | 6.50 mm |

**Equipment**

|                            |     |
|----------------------------|-----|
| Cover in scope of delivery | Yes |
|----------------------------|-----|

**Materials**

|          |                         |
|----------|-------------------------|
| Material | Polyvinylchloride (PVC) |
|----------|-------------------------|

**Functions**

|                       |     |
|-----------------------|-----|
| Is self-extinguishing | Yes |
|-----------------------|-----|

**Standards**

|                                   |    |
|-----------------------------------|----|
| Flammability class according UL94 | V0 |
|-----------------------------------|----|

**Safety**

|                       |    |
|-----------------------|----|
| Fire resistance class | M1 |
|-----------------------|----|

**Materials**

|          |            |
|----------|------------|
| Colour   | Stone grey |
| RAL code | 7030       |

**Architecture**

|          |    |
|----------|----|
| Flexible | No |
|----------|----|

**Configuration**

|           |         |
|-----------|---------|
| Side wall | Slotted |
|-----------|---------|

**Sustainability**

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
