

85141139

Button 1gang, R.1/R.3/1930/R.cl., p. white glossy

Technical Features

Use conditions

| | |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

Voltage

| | |
|-----------------|-----------|
| Nominal voltage | 12 - 12 V |
|-----------------|-----------|

Materials

| | |
|----------------|---------------|
| Colour | Polar white |
| Surface finish | Glossy |
| Treatment | Untreated |
| Material | Thermoplastic |

Compatibility

| | |
|-------------------------------|-----|
| Suitable for dimmer | Yes |
| Suitable for venetian shutter | No |
| Suitable with switch | Yes |

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
