

85141126

Button 1gang, Q.x, ant. velvety, lacq.

#### Technical Features

##### Use conditions

Operating temperature -5 - 45 °C

##### Voltage

Nominal voltage 12 - 12 V

##### Materials

Colour Anthracite

Surface finish Velvety

Treatment Varnished

Material Thermoplastic

##### Compatibility

Suitable for dimmer Yes

Suitable for venetian shutter No

Suitable with switch Yes

##### Texts

Protection With dismantling protection

##### Sustainability

REACH-SVHC free Yes

RoHS conform Yes
