

85141175

Button 1gang, K.1, ant. matt, lacq.

Technical Features

Use conditions

Operating temperature	-5 - 45 °C
-----------------------	------------

Voltage

Nominal voltage	12 - 12 V
-----------------	-----------

Materials

Colour	Anthracite
Surface finish	Matt
Treatment	Varnished
Material	Thermoplastic

Compatibility

Suitable for dimmer	Yes
Suitable for venetian shutter	No
Suitable with switch	Yes

Texts

Protection	With dismantling protection
------------	-----------------------------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
