

HXF001H

Shunt trip Release h1600 24V DC

Technical Features

Power

Inrush power absorbed	0.72 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
Command voltage DC	24 - 24 V
Rated operational voltage Ue	0 - 0 V
Rated operational voltage in DC	24 - 24 V
