

UC920125AL

Aluminium barenstel, q. evo, L2000 1250A

Technische karakteristieken

**Elektrische Stroom**

|                 |        |
|-----------------|--------|
| Nominale stroom | 1250 A |
|-----------------|--------|

**Afmetingen**

|                    |            |
|--------------------|------------|
| Dikte rail         | 18 - 18 mm |
| Hoogte railsysteem | 60 mm      |
| Lengte railsysteem | 1970 mm    |

**Uitrusting**

|            |     |
|------------|-----|
| Met tanden | Nee |
|------------|-----|

**Materiaal**

|                        |              |
|------------------------|--------------|
| Materiaal              | Aluminium    |
| Oppervlaktebehandeling | Geanodiseerd |

**Duurzaamheid**

|               |    |
|---------------|----|
| Halogeenvrij  | Ja |
| REACH conform | Ja |
| RoHS conform  | Ja |
