

WMGP1

**1 Gang White Moulded Grid Plate**

**Technical Features**

**Capacity**

Number of gangs	1
-----------------	---

**Materials**

Colour	White
Surface finish	Glossy
Material	Urea formaldehyde
Treatment	Untreated

**Dimensions**

Height	86 mm
Width	86 mm
Depth	7.50 mm

**Accessories**

Has labelling field	No
---------------------	----

**Installation, mounting**

Mounting-/Connection Position	Horizontal
-------------------------------	------------

**Safety**

Ingress Protection (IP) class	IP20
-------------------------------	------

**Sustainability**

REACH-SVHC free	Yes
RoHS conform	Yes
