

WMGP2

2 Gang White Moulded Grid Plate

Technical Features

Capacity

Number of gangs	2
-----------------	---

Materials

Colour	White
Surface finish	Glossy
Material	Urea formaldehyde
Treatment	Untreated

Dimensions

Height	86 mm
Width	86 mm
Depth	7.50 mm

Accessories

Has labelling field	No
---------------------	----

Installation, mounting

Mounting-/Connection Position	Horizontal
-------------------------------	------------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
