

WMGP2

2 Gang White Moulded Grid Plate

Technical Features

Capacity

Number of gangs 2

Materials

Colour White

Surface finish Glossy

Material Urea formaldehyde

Treatment Untreated

Dimensions

Height 86 mm

Width 86 mm

Depth 7.50 mm

Accessories

Has labelling field No

Installation, mounting

Mounting-/Connection Position Horizontal

Safety

Ingress Protection (IP) class IP20

Sustainability

REACH-SVHC free Yes

RoHS conform Yes
