

WMGP4

### 4 Gang White Moulded Grid Plate

#### Technical Features

##### Capacity

Number of gangs	4
-----------------	---

##### Materials

Colour	White
Surface finish	Glossy
Material	Urea formaldehyde
Treatment	Untreated

##### Dimensions

Height	86 mm
Width	146 mm
Depth	7.50 mm

##### Accessories

Has labelling field	No
---------------------	----

##### Installation, mounting

Mounting-/Connection Position	Horizontal
-------------------------------	------------

##### Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

##### Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
