

TX501

## Thermische klepsturing, KNX

### Technische eigenschappen

#### Afmetingen

|            |            |
|------------|------------|
| Afmetingen | 84 x 50 mm |
|------------|------------|

#### Spanning

|                   |           |
|-------------------|-----------|
| Nominale spanning | 30 - 30 V |
|-------------------|-----------|

|                     |           |
|---------------------|-----------|
| Netspanning via bus | 21 - 32 V |
|---------------------|-----------|

#### Gebruiksvoorwaarden

|                     |           |
|---------------------|-----------|
| Bedrijfstemperatuur | 0 - 50 °C |
|---------------------|-----------|

#### Duurzaamheid

|                 |    |
|-----------------|----|
| REACH-SVHC vrij | Ja |
|-----------------|----|

|              |    |
|--------------|----|
| RoHS conform | Ja |
|--------------|----|
