

WXA692

Lamp for switch gallery 230V white

Technical Features

Voltage

Nominal voltage	250 - 250 V
-----------------	-------------

Electric current

Rated current	0 A
---------------	-----

Dimensions

Height	17.10 mm
Width	17.10 mm
Depth	17.55 mm

Power

Current consumption	0.50 mA
---------------------	---------

Materials

Colour	White
--------	-------

Lighting

Type of lamp	LED
--------------	-----

Use conditions

Operating temperature	-10 - 35 °C
-----------------------	-------------

Suitable for

Hager gallery	
---------------	--

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
