

WXA699

Lamp for socket gallery 250V white

Technical Features

Voltage

Nominal voltage	250 - 250 V
-----------------	-------------

Electric current

Rated current	0 A
---------------	-----

Dimensions

Height	40 mm
Width	45 mm
Depth	4.20 mm

Power

Current consumption	1 mA
---------------------	------

Materials

Colour	Black
--------	-------

Lighting

Type of lamp	LED
--------------	-----

Use conditions

Operating temperature	-10 - 35 °C
-----------------------	-------------

Suitable for

Hager gallery	
---------------	--

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
