

WRGP6BS

Grid Front Plate 2 X 3 Brushed Steel

Technical Features

Capacity

Number of gangs	6
-----------------	---

Materials

Colour	Stainless steel
Surface finish	Matt
Material	Stainless steel
Treatment	Brushed

Dimensions

Height	146 mm
Width	146 mm
Depth	9.50 mm

Accessories

Has labelling field	No
---------------------	----

Installation, mounting

Mounting-/Connection Position	Horizontal
-------------------------------	------------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
