

TN002S

RJ45 connectors cat.6 STP + support

Technical Features

Identification

Category Cat6

Cable

AWG range AWG 26-22

Connection

Connector/plug type RJ45

Dimensions

Height 90 mm

Width 17.50 mm

Depth 62 mm

Equipment

Shielded Yes

Suitable for circular cable Yes

Functions

Suitable for multi-wire core No

Suitable for solid core No

Compatibility

Suitable for flat cable No

Materials

Colour Light grey

Use conditions

Connection without tools No

Sustainability

REACH-SVHC free Yes
