

TN003S

Cat 6 UTP Data patch module

Technical Features

Identification

Category	Cat6
----------	------

Cable

AWG range	AWG 26-22
-----------	-----------

Connection

Connector/plug type	Cutting terminal RJ45
---------------------	-----------------------

Dimensions

Height	90 mm
Width	17.50 mm
Depth	62 mm

Equipment

Shielded	No
Suitable for circular cable	Yes

Functions

Suitable for multi-wire core	No
Suitable for solid core	No

Compatibility

Suitable for flat cable	No
-------------------------	----

Use conditions

Connection without tools	No
--------------------------	----

Sustainability

REACH-SVHC free	Yes
-----------------	-----
