

FZ642A

Plinth, Univers, H200 550x275 mm

Technical Features

Dimensions

|        |        |
|--------|--------|
| Height | 200 mm |
| Width  | 550 mm |
| Depth  | 275 mm |

Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP55 |
|-------------------------------|------|

Connectivity

|               |                      |
|---------------|----------------------|
| Mounting type | Metal screw mounting |
|---------------|----------------------|

Installation, mounting

|                            |    |
|----------------------------|----|
| Suitable for outdoor usage | No |
|----------------------------|----|

Materials

|           |               |
|-----------|---------------|
| Colour    | Jet black     |
| Treatment | Powder coated |
| Material  | Steel         |

Sustainability

|              |     |
|--------------|-----|
| Halogen free | Yes |
| RoHS conform | Yes |
