

HYD008H

Collar terminal h400/h630 AI 4P 2x 95-240mm²

Technical Features

Electric current

| | |
|---------------|-------|
| Rated current | 630 A |
|---------------|-------|

Architecture

| | |
|-----------------|---|
| Number of poles | 4 |
|-----------------|---|

Cable

| | |
|----------------|---------------------|
| Cable material | Copper Aluminium |
|----------------|---------------------|

Sustainability

| | |
|-----------------|-----|
| Halogen free | Yes |
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
