

85142173

Button 2gang, K.5, stainless steel matt, lacq.

Technical Features

Use conditions

Operating temperature	-5 - 45 °C
-----------------------	------------

Voltage

Nominal voltage	12 - 12 V
-----------------	-----------

Materials

Colour	Stainless steel
Surface finish	Matt
Treatment	Varnished
Material	Stainless steel Thermoplastic

Compatibility

Suitable for dimmer	Yes
Suitable for venetian shutter	No
Suitable with switch	Yes

Texts

Protection	With dismantling protection
------------	-----------------------------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
