

85142124

Button 2gang, Q.x, alu velvet, lacquered

Technical Features

Use conditions

| | |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

Voltage

| | |
|-----------------|-----------|
| Nominal voltage | 12 - 12 V |
|-----------------|-----------|

Materials

| | |
|----------------|---------------|
| Colour | Aluminium |
| Surface finish | Velvety |
| Treatment | Varnished |
| Material | Thermoplastic |

Compatibility

| | |
|-------------------------------|-----|
| Suitable for dimmer | Yes |
| Suitable for venetian shutter | No |
| Suitable with switch | Yes |

Texts

| | |
|------------|-----------------------------|
| Protection | With dismantling protection |
|------------|-----------------------------|

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
