

85142182

Button 2gang, S.1, white glossy

Technical Features

Use conditions

Operating temperature -5 - 45 °C

Voltage

Nominal voltage 12 - 12 V

Materials

Colour White

Surface finish Glossy

Treatment Untreated

Material Thermoplastic

Compatibility

Suitable for dimmer Yes

Suitable for venetian shutter No

Suitable with switch Yes

Texts

Protection With dismantling protection

Sustainability

REACH-SVHC free Yes

RoHS conform Yes
