

85142188

Button 2gang, S.1/B.3/B.7, p. white, matt, plastic

Technical Features

Use conditions

Operating temperature	-5 - 45 °C
-----------------------	------------

Voltage

Nominal voltage	12 - 12 V
-----------------	-----------

Materials

Colour	Polar white
Surface finish	Matt
Treatment	Untreated
Material	Thermoplastic

Compatibility

Suitable for dimmer	Yes
Suitable for venetian shutter	No
Suitable with switch	Yes

Texts

Protection	With dismantling protection
------------	-----------------------------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
