Product Datasheet
FWU73D

FWU73D

FW flush encl. 3x7-rows, empty, IP30, classII, niche 1107x815x115mm

Technical Features

Dimensions

Height	1153 mm
Width	853 mm
Depth	125 mm
Thickness of sidewall	1 mm

Safety

Ingress Protection (IP) class	IP30
Protection class	Isolation class II
Locking type	Without lock
Impact resistance IK	IK09

Equipment

Number of section in width	3
Number of flange plate openings	6

Installation, mounting

Mounting on	Flush mounting Hollow wall
Suitable for outdoor usage	No

Materials

Colour	Pure white
RAL code	9010
Treatment	Powder coated
Material	Steel

Equipment

Number of rows	0

Cover, door

Number of cabinet doors	2
Door/cover is transparent	No

Electric current

Rated current	125 A

Sustainability

RoHS conform	Yes
