

FWU72D

FW flush encl.2x7-rows, empty, IP30, classII, niche 1107x565x115mm

Technical Features

Dimensions

Height	1153 mm
Width	603 mm
Depth	125 mm
Thickness of sidewall	1 mm

Safety

Ingress Protection (IP) class	IP30
Protection class	Isolation class II
Locking type	Without lock
Impact resistance IK	IK09

Equipment

Number of section in width	2
Number of flange plate openings	4

Installation, mounting

Mounting on	Flush mounting Hollow wall
Suitable for outdoor usage	No

Materials

Colour	Pure white
RAL code	9010
Treatment	Powder coated
Material	Steel

Equipment

Number of rows	7
----------------	---

Cover, door

Number of cabinet doors	1
Door/cover is transparent	No

Electric current

Rated current	125 A
---------------	-------

Sustainability

RoHS conform	Yes
