

JFD406U

Enclosed Fuse combin. switch TPSN 63A

Technical Features

Electric current

Rated current 32 A

Architecture

Number of poles 4

Control/operation element Long rotary handle

Voltage

Rated insulation voltage U_i 800 V

Safety

Ingress Protection (IP) class IP41

Fuse

Fuse size A3

Dimensions

Height 325 mm

Width 300 mm

Sustainability

REACH-SVHC free Yes
