

UT92B

PE-aansluiting 16 mm<sup>2</sup> b = 500 mm

#### Technische eigenschappen

##### Stroom / temperatuur

|                 |      |
|-----------------|------|
| Nominale stroom | 60 A |
|-----------------|------|

##### Materiaal

|       |       |
|-------|-------|
| Kleur | Grijs |
|-------|-------|

|          |      |
|----------|------|
| RAL-code | 6032 |
|----------|------|

##### Aansluiting

|                                  |                                              |
|----------------------------------|----------------------------------------------|
| Aansluitdoorsnede schroefklemmen | (2x) 1x 25 + 11x 16 + 13x 10 mm <sup>2</sup> |
|----------------------------------|----------------------------------------------|

##### Duurzaamheid

|                 |    |
|-----------------|----|
| REACH-SVHC vrij | Ja |
|-----------------|----|

|              |    |
|--------------|----|
| RoHS conform | Ja |
|--------------|----|
