## **Product Datasheet**

Yes

VT36S

## 36M 3Row DIN Surface Metal BOX, No Door

## **Technical Features**

RoHS conform

| Voltage                        |                   |
|--------------------------------|-------------------|
| Nominal voltage                | 230 - 415 V       |
| Installation, mounting         |                   |
| Suitable for outdoor usage     | No                |
| Mounting on                    | Surface mounting  |
|                                |                   |
| Equipment                      |                   |
| Number of rails Number of rows | 3 3               |
| Number of rows                 |                   |
| Capacity                       |                   |
| Number of modules              | 36                |
| Dimensions                     |                   |
| Height                         | 609 mm            |
| Width                          | 369 mm            |
| Depth                          | 71 mm             |
| Built-in depth                 | 70 mm             |
| Cover, door                    |                   |
| Number of locks                | 0                 |
| Dimensions                     |                   |
| Number of width units          | 12                |
| Number of width units          | 12                |
| Cover, door                    |                   |
| Door/cover is transparent      | No                |
| Connection                     |                   |
| Number of conduit inlets       | 16                |
| Connectivity                   |                   |
| Mounting type                  | Screw mounting    |
|                                |                   |
| Materials                      |                   |
