

HYB001H

Collar terminal x250 Al/Cu 3P

Technical Features

Electric current

|               |       |
|---------------|-------|
| Rated current | 250 A |
|---------------|-------|

Architecture

|                 |   |
|-----------------|---|
| Number of poles | 3 |
|-----------------|---|

Cable

|                |                     |
|----------------|---------------------|
| Cable material | Copper<br>Aluminium |
|----------------|---------------------|

Sustainability

|                 |     |
|-----------------|-----|
| Halogen free    | Yes |
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
