

HXT045H

**Motor Operator P250 200-220VAC/DC with Auto-Reset**

**Technical Features**

**Voltage**

|                     |             |
|---------------------|-------------|
| Type voltage supply | AC/DC       |
| Command voltage AC  | 200 - 220 V |
| Command voltage DC  | 200 - 220 V |

**Frequency**

|           |            |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

**Functions**

|                          |     |
|--------------------------|-----|
| With auto reset function | Yes |
|--------------------------|-----|

**Sustainability**

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
