

JFB202U

Enclosed Fuse combin. switch SPSN 20A

Technical Features

Electric current

Rated current 20 A

Architecture

Number of poles 2

Control/operation element Long rotary handle

Voltage

Rated insulation voltage U_i 800 V

Safety

Ingress Protection (IP) class IP41

Fuse

Fuse size A1

Dimensions

Height 250 mm

Width 200 mm

Sustainability

REACH-SVHC free Yes

RoHS conform Yes
