

WGDL2D12NIG

20AX 1G 2W DP SWITCH W/ LED, Interstellar Grey

Technical Features

Voltage

| | |
|---------------|-------|
| Rated voltage | 250 V |
|---------------|-------|

Frequency

| | |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

Materials

| | |
|----------------|-------------------|
| Colour | Interstellar grey |
| Surface finish | Matt |

Safety

| | |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

Electric current

| | |
|---------------|------|
| Rated current | 20 A |
|---------------|------|

Sustainability

| | |
|-----------------|-----|
| Halogen free | Yes |
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
