

HYB002H

Collar terminal x250 Al/Cu 4P

Technical Features

Electric current

Rated current	250 A
---------------	-------

Architecture

Number of poles	4
Type of pole	4P

Cable

Cable material	Copper Aluminium
----------------	---------------------

Connection

Cross-section rigid conductor	35 - 185 mm ²
Cross-section flexible conductor	35 - 150 mm ²

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
