

167602

Glow lamp unit N-terminal, light control, yellow

Technical Features

Voltage

Nominal voltage	12 - 12 V
-----------------	-----------

Electric current

Rated current	0.06 A
---------------	--------

Dimensions

Height	12.60 mm
Width	23.80 mm
Depth	19.40 mm

Materials

Colour	Yellow
--------	--------

Lighting

Type of lamp	Incandescent lamp
--------------	-------------------

Texts

Lighting	For lighting and monitoring circuit
----------	-------------------------------------

Sustainability

RoHS conform	Yes
--------------	-----
