

HXE014H

UVR 220-240V AC (h800-h1000-h1600)

Technical Features

Power

Inrush power absorbed	2.90 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	220 - 240 V
Command voltage DC	0 - 0 V

Functions

Delayed	No
---------	----
