

BA7A80040

**Slotted panel trunking made of PVC BA7A 80x40mm grey**

**Technical Features**

**Dimensions**

Height	80 mm
Width	40 mm
Length	2000 mm
Slit width	6 mm
Slot width	6.50 mm

**Equipment**

Cover in scope of delivery	Yes
----------------------------	-----

**Materials**

Material	Polyvinylchloride (PVC)
----------	-------------------------

**Functions**

Is self-extinguishing	Yes
-----------------------	-----

**Standards**

Flammability class according UL94	V0
-----------------------------------	----

**Safety**

Fire resistance class	M1
-----------------------	----

**Materials**

Colour	Stone grey
RAL code	7030

**Architecture**

Flexible	No
----------	----

**Configuration**

Side wall	Slotted
-----------	---------

**Sustainability**

REACH-SVHC free	Yes
RoHS conform	Yes
