

BA7A80025

Slotted panel trunking made of PVC BA7A 80x25mm grey

Technical Features

Dimensions

| | |
|------------|---------|
| Height | 80 mm |
| Width | 25 mm |
| Length | 2000 mm |
| Slit width | 6 mm |
| Slot width | 6.50 mm |

Equipment

| | |
|----------------------------|-----|
| Cover in scope of delivery | Yes |
|----------------------------|-----|

Materials

| | |
|----------|-------------------------|
| Material | Polyvinylchloride (PVC) |
|----------|-------------------------|

Functions

| | |
|-----------------------|-----|
| Is self-extinguishing | Yes |
|-----------------------|-----|

Standards

| | |
|-----------------------------------|----|
| Flammability class according UL94 | V0 |
|-----------------------------------|----|

Safety

| | |
|-----------------------|----|
| Fire resistance class | M1 |
|-----------------------|----|

Materials

| | |
|----------|------------|
| Colour | Stone grey |
| RAL code | 7030 |

Architecture

| | |
|----------|----|
| Flexible | No |
|----------|----|

Configuration

| | |
|-----------|---------|
| Side wall | Slotted |
|-----------|---------|

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
