## **Product Datasheet** JKM01

Yes

JKM01

## Multifunction measurement device DIN rail 1x3-Phase RS485

## **Technical Features**

RoHS conform

Architecture	
Bus system	MODBUS
Type of pole	4P
Capacity	
Number of modules	4
Dimensions	
Height	90 mm
Width	70 mm
Depth	62 mm
E. toward	
<b>Equipment</b> Type of pulse generator	Electrical
Type of pulse generator	Liectrical
Compatibility	
Suitable for	Purchase
Connection	
Connector/plug type Bus system	Pulse
	RS485
Installation, mounting	
Mounting on	DIN rail
Measurement Measuring system	Measurement transformer
Measuring system  Type of measuring instrument	Electronic
Measurement range voltage Ph-N	60 - 300 V
	104 - 520 V
Measurement range voltage Ph-Ph Frequency measuring range	45 - 65 Hz
Troquerioy moderating range	40 00112
Functions	
Accuracy class	В
Tariff type	One-tariff
Safety	
Ingress Protection (IP) class	IP20
Use conditions	
Operating temperature	-10 - 55 °C
Storage/transport temperature	-20 - 75 °C
Francisco	
Frequency Frequency	45 - 65 Hz
Точиопоу	40 - 00 HZ
Sustainability	
REACh-SVHC free	Yes
D 110
