

HXE011H

UVR 24V DC (h800-h1000-h1600)

Technical Features

Power

Inrush power absorbed	0.70 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
Command voltage DC	24 - 24 V

Functions

Delayed	No
---------	----
