

HXA001H

Shunt trip 24V DC (x160-P160-x250-P250-x630-P630)

Technical Features

Power

Inrush power absorbed	0.72 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
Command voltage DC	24 - 24 V
Rated operational voltage Ue	0 - 0 V
Rated operational voltage in DC	24 - 24 V

Sustainability

RoHS conform	Yes
--------------	-----
