

FM208

**Floor standing steel enclosure, Quadro5, 2010x700x400 mm**

**Technical Features**

**Dimensions**

Height	2010 mm
Width	700 mm
Depth	400 mm
Thickness of sidewall	1.20 mm

**Safety**

Ingress Protection (IP) class	IP55
Protection class	Isolation class I
Locking type	Without lock
Impact resistance IK	IK10

**Equipment**

Number of section in width	2
Number of flange plate openings	2

**Installation, mounting**

Mounting on	Floor mounting
Suitable for outdoor usage	No

**Materials**

Colour	Pure white
RAL code	9010
Treatment	Galvanised
Material	Steel

**Equipment**

Number of rows	13
----------------	----

**Cover, door**

Number of cabinet doors	0
Door/cover is transparent	No

**Electric current**

Rated current	630 A
---------------	-------

**Sustainability**

RoHS conform	Yes
