

FM208

Floor standing steel enclosure, Quadro5, 1710x700x400 mm

Technical Features

Dimensions

Height	1710 mm
Width	700 mm
Depth	400 mm
Thickness of sidewall	1.20 mm

Safety

Ingress Protection (IP) class	IP55
Protection class	Isolation class I
Locking type	Without lock
Impact resistance IK	IK10

Equipment

Number of section in width	2
Number of flange plate openings	2

Installation, mounting

Mounting on	Floor mounting
Suitable for outdoor usage	No

Materials

Colour	Pure white
RAL code	9010
Treatment	Galvanised
Material	Steel

Equipment

Number of rows	11
----------------	----

Cover, door

Number of cabinet doors	0
Door/cover is transparent	No

Electric current

Rated current	630 A
---------------	-------

Sustainability

RoHS conform	Yes
