

1980

Mini jack, 8-pole, RJ45 cat.5E, com-tech, black

Technical Features

Identification

Category	CAT III
----------	---------

Cable

AWG range	AWG 24-22
-----------	-----------

Connection

Connector/plug type	Cutting terminal Modular jack
---------------------	----------------------------------

Dimensions

Height	18.50 mm
Width	16 mm
Depth	35 mm

Equipment

Shielded	No
----------	----

Materials

Colour	Black
--------	-------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Use conditions

Connection without tools	No
--------------------------	----

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
